The Maidenhead Easter 10 Road Race is a vital contributor to the club's finances. All available members are expected to attend and assist in the management of the event on race day. Entries will not be accepted from club members other than those accompanied by an invitation from the committee. Invitations will normally only be issued:

a) to members who are selected to represent the club's men's and ladies teams based on a proven ability to give the teams a realistic chance of winning team awards.

b) to members who have held a senior organising position for the Easter 10 for 3 or more consecutive years (once in five years following their retirement from that post). Senior Positions being: Race Director, Entries Secretary or Chief Marshal.
